IT'S CHRISTMAS!!!

by Richard Longfoot, Club Chaplain

For several weeks now, it has been 'beginning to look a lot like Christmas', and now we are almost there! For many it is a time of mounting excitement, for others it is a 'humbug' they just want to get over. So it can be a 'mixed bag'.

It has been interesting, this year, to be involved with Westwood Musical Society and to sing Carols at Serpentine Green and Peterborough Market. For me it brought together two contrasting sides of Christmas; the Christmas story carried in the words of the Carols, and the commercial side of the whole thing. As we tried to sing with a smile, the crowds passed by with their trolleys and boxes, many looking burdened, both physically and mentally.

We can sometimes ask ourselves – What is it all about? - Why do we bother? I think one of the key words is 'giving' and one of the others is 'love'. I liked the slogan, on the Christmas bags of a well known shop a few years ago, which stated 'Love is Giving'. Three words that sum it all up!

While some of our Christmas giving might be just 'duty', the most exciting and meaningful gifts are the ones given to those we love. Our families, our friends and those really close to us.

At the centre of all the Carols, the School Nativity plays and the worship of our Churches at Christmas, is God's giving to us. The Christ Child, in the Bethlehem Stable. The gift of hope and peace and love, held for us in a fragile baby. It is an amazing focus for our celebrations in the next few days. The exact details are not important, but what is, is the gift of love for all of us. The rest is trimming and tinsel by comparison!

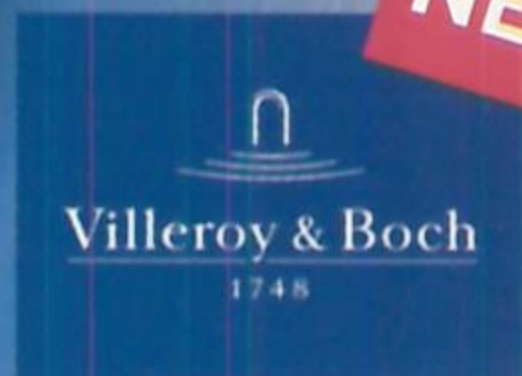

While I love all this and it helps us to see what is really important to us in life, I think, at London Road, our Christmas would be made by seeing a few more Championship points. I guess that is more about 'getting' than 'giving'. Our opponents certainly don't have a 'love is giving' approach! Taking one of the other Christmas words, let us 'hope' for some happy surprises on the pitch as well as under the tree!

I wish Happy Christmas to everyone connected with the Posh and to our visitors from Bolton today. May we all have a great time next week and a peaceful and positive New Year.

THE GAFFER

Darren Ferguson

A warm welcome to Bolton Wanderers' manager Dougie Freedman, Lennie Lawrence and the rest of the management team to London Road for this fixture. I said after the win at Cardiff City last Saturday that it was vital for us to put a good run together and wins like that one cannot be just in isolation, so today's fixture is an important one.

I feel in our last three games, at Charlton, against Middlesbrough at London Road and the victory at Cardiff, we have played well and deserved to take more than just the three points we have picked up.

The win at Cardiff is undoubtedly the best result I've had at Championship level. I said in advance that I felt this could be a good game for us providing we stuck to our game-plan, and that is exactly what we did.

I have never doubted the ability of the players but we have to produce good performances consistently. If we play like we did in this game on a regular basis, we will be absolutely fine. There is no better example of that than coming to the best team in the league - a team that I expect to win promotion automatically for the record - and beating them.

We now have to make this day the turning point in our season. This result puts us in charge of our own destiny. I have always believed in myself, my staff and my players to get out of trouble. If the players needed another reminder, they have certainly got one now.

I would like to take this opportunity to thank the supporters who made the long journey to Cardiff to support the players. It was nice to reward them with three points. This is our final fixture before Christmas, so best wishes for the festive season.

Enjoy today's game.

JONNIE PEACOCK

WELCOME TO LONDON ROAD JONNIE

Peterborough United is proud to welcome an Olympic Gold medallist to London Road this afternoon as Jonnie Peacock takes in the action against Bolton.

Peacock won the T43/44 100m sprint in front of a packed London crowd this summer, beating Oscar Pistorius in the process in a time of 10.90 seconds, the second fastest time in the history of the event, although he already held the record at 10.85.

At five years old, Peacock contracted meningitis and lost one of his legs, but this did not stop him becoming an Olympic Champion and regarded as one of the games global stars, after his breathtaking performance.

His demolition of the field in London drew comment from his idol Pistorius, who said: 'What people were able to witness tonight was one of the greatest performances in the 100m. It was the beginning of a phenomenal career for Jonnie Peacock. He epitomises professional sprinting, not just as a Paralympic athlete but as one of the world's best.'

He has achieved all this, at 19-years-of-age, in what was a memorable year of sport in this country. Born in Doddington, Cambridgeshire, Peacock competed in his first international event at the Paralympic World Cup in Manchester earlier this year, a month later he was setting the new world record in the United States' track and field trials.

His mother named him after his Grandfather, Johnny Roberts, who used to play for Liverpool and Everton and the sprinter has taken a following to the red side of Merseyside.

With success coming at such a young age, it could well be possible that Peacock could compete in at least another three Olympic games. For the moment though he is focused on beating his world record.

Congratulations on your achievements and enjoy your time at London Road.

BOLTON - TEN SEASON RECORD

*up to and including 16/12/2012

by Callum Croson

THE VISITORS

Bolton Wanderers are the visitors to London Road today with new boss Dougie Freedman looking to bounce back to the Premier League after the club were relegated last season. It has been 12 years since the club has played in the second tier of English football after current West Ham boss, Sam Allardyce, guided the club to promotion back in 2000/01.

Founded: 1877

Nickname(s): The Trotters

Stadium Name: Reebok Stadium

Capacity: 28,723

League Position 2011/12: 18th, Premiership (relegated)

Chairman: Phil Gartside

Freedman joined the Trotters after leaving Crystal Palace in October and life with his new club started well with a home win against promotion chasers Cardiff City. But they are struggling to climb up the table and the play-offs may be their only route out of the division.

As a player, Freedman spent the majority of his career with Palace, having two stints with the club making over 300 appearances and scoring over 100 goals. At the tender age of 38, Freedman is one of the youngest managers in the game right now. Originally, he joined the Eagles coaching staff after ending his playing career with Southend United, but found himself in the dugout as manager after taking over from George Burley in 2011 and saving the club from relegation.

A run of fine results this season put Palace top of the Championship, but after Owen Coyle was sacked, he took over as Bolton manager for only his second job as a manager. The team he has taken over is still full of Premier League experience, with the likes of Kevin Davies spearheading the attack. The England international has been at Bolton since 2003 and is close to making 400 appearances. The club captain is great in the air and, with support on the wings from Chris Eagles and Chung-Yong Lee, he can be real handful on his day.

Although the club lost a lot of players over the summer, they have added a mixture of youth and experience to get themselves back to the Premier League. Ireland international Keith Andrews signed for nothing from West Brom and Matt Mills was bought from Leicester City. Topped off with the loan signings of Stephen Warnock from Aston Villa and Jay Spearing from Liverpool, they can certainly compete with the best teams in the league and Freedman will be looking to cement his style onto his new team and push for promotion.

The Trotters have a long and successful history with four FA Cups to their name, they have won the old division two (Championship) on three occasions and won the Community Shield in 1958. Their last final came in 2006, losing the League Cup final to Middlesbrough 2-1 at the Millennium stadium. Kevin Davies was on the score sheet that day but could not inspire his team to turn around a two goal deficit.

Freedman can look back at last season's League Cup with fond memories, having knocked out Manchester United at Old Trafford but falling at the semi-final stage to Cardiff. The Trotters are already out of this season's Capital One Cup but Freedman will still have a chance for more scalps in the FA Cup, when they play Sunderland in the third round, at the Reebok Stadium in January.

THE MANAGER

LAST TIME OUT

The last time the clubs met was back in 1994 in the old Division One. Posh lost 3-2 in the highest scoring game between the two clubs.

It will be the fourth time the clubs have played at London Road, with Bolton winning twice and Posh winning once.

KEITH ANDREWS

8 MID

Date of Birth: 13/09/1980

The Republic of Ireland international started all three games in Euro 2012; he followed the tournament by signing a three year deal with Bolton having left West Brom. A work horse in the middle of the park, Andrews has established himself as first choice in the Trotters midfield.

JAY SPEARING

20 MID

Date of Birth: 25/11/1988

The 23-year-old joined the club on loan from Liverpool, shortly after returning from a Europa League tie in Belarus, where he had played the full 90 minutes. Spearing has played in the Championship before, a brief loan spell at Leicester City at the back end of the 2009 season.

MARK DAVIES

16 MID

Date of Birth: 18/02/1988

The highly-rated midfielder was voted Players' Player of the Year for the 2011/12 season and is contracted to the club until 2015. He made his debut for the Wanderers in January 2009, as a substitute in the 2-2 draw with Blackburn Rovers.

MARTIN PETROV

10^{MID}

Date of Birth: 15/01/1979

CHRIS EAGLES

7^{MID}

Date of Birth: 19/11/1985
The club's most creative player, the wide man is already into double figures with assists this season and can chip in with goals as well. CHAMPIONSHIP REVIEW

Birmingham came back from two goals down to earn a draw against promotion-chasing Crystal Palace at St Andrew's. Palace had to withstand some concerted pressure before striker Glenn Murray put them ahead with a simple tap-in.

Some good work from Jonathan Parr allowed Murray to stab in another for the Eagles, who remain in second place, but substitute Nikola Zigic's headed effort pulled one back for Blues and Papa Bouba Diop also nodded home to rescue a point.

Wes Thomas scored his second goal in four matches since joining Blackpool on loan as Henning Berg's Blackburn Rovers suffered a fourth defeat in five games. Thomas, who joined from Bournemouth, headed the Seasiders ahead from Nathan Delfouneso's cross before Kirk Broadfoot sealed the points. Broadfoot latched on to a right-foot delivery by Tiago Gomes to continue Blackburn's poor run. Rovers, who have won once under Berg, hit the post through Simon Vukcevic.

Goals from Robert Koren and David Meyler (*pictured*) ensured Hull beat Yorkshire rivals Huddersfield and secured a third Championship victory in a row. Skipper Koren, 32, benefited from some slack marking from left-back Joel Lynch to convert Stephen Quinn's low cross. Manager Steve Bruce's players impressed against his former club, and midfielder Meyler shot into an open goal in injury time to secure the points. Hull's Alex Bruce was sent off after the final whistle for violent conduct.

Striker David N'Gog scored twice within six minutes to inspire Bolton to victory over Charlton. Addicks striker Danny Haynes had missed two promising chances before his side fell behind after 74 minutes. Substitute N'Gog produced an individual piece of play, beating two defenders and poking the ball past keeper Ben Hamer for Bolton's opener. The forward then exchanged passes with Kevin Davies before drilling in a shot to secure a victory for the Trotters.

David N'Gog scoring for Bolton in their 2-0 win over Charlton.

Two goals in two first-half minutes against Bristol City saw promotion-chasing Derby claim their first away win in the Championship since October. Midfielder Jeff Hendrick volleyed in Michael Jacobs' cross from close range to put Nigel Clough's men ahead. Bristol then fell victim to another centre minutes later when midfielder Craig Bryson headed home after he was picked out by Gareth Roberts. The result saw the Rams move to within three points of the play-off positions.

Charlie Austin's penalty rescued a point for Burnley as manager Sean Dyche faced former club Watford for the first time since his summer dismissal. Nathaniel Chalobah opened the scoring for Watford with a 20-yard strike and Austin replied from the spot after Almen Abdi clumsily pushed Dean Marney. Sam Vokes had a chance to win it for Burnley late on with a header, but Manuel Almunia made a fine save.

Leeds United moved to within four points of the Championship play-off places as they defeated Ipswich Town. On-loan Jerome Thomas scored the first goal when he flicked the ball past Stephen Henderson following Tom Lees' flick-on from El-Hadji Diouf's corner. Paul Green doubled Leeds's lead, firing in from a Thomas pass after he had been played in by ex-Town man David Norris.

Middlesbrough scored two late goals against Wolves to move back into third place in the Championship table. Marvin Emnes scored from the spot in the 89th minute after a questionable penalty was awarded when a cross hit Karl Henry's arm. Striker Scott McDonald then sealed the win at the death, smashing in a second as the visitors became stretched in their search for an equaliser.

A goal from Chris Taylor took Millwall back into the Championship play-off places courtesy of victory over fellow promotion hopefuls Leicester. Substitute winger Taylor side-footed home Andy Keogh's cross midway through the second half of a scrappy match to seal the Lions' win.

Sheffield Wednesday edged closer to moving out of the Championship relegation zone as they ended a run of seven successive defeats by beating fellow strugglers Barnsley. Chris O'Grady smashed the ball into the net from close range 10 minutes before the break after the hosts failed to deal with a high ball into the box. Barnsley dominated after the break, but could not find an equaliser.

IS RACISM ON THE INCREASE?

Is racism on the increase? Well, if the number of headlines is anything to go by, it's pretty much a pandemic. This week it was Huddersfield and Leeds, with Whites fans allegedly subjected to anti-Semitic chants.

Last week it was West Ham, who banned a season ticket holder for life after he was caught on CCTV performing a Nazi salute during the game against Spurs. 'I don't wish to hear any of that sort of chanting in the game of football anywhere in this country,' said Hammers boss Sam Allardyce. 'We have to continue to do all we possibly can for it not to happen. If we punish the people who have done it in the right way I think we will cut it out and stop it.'

Then we've had the usual bilge from numbskull Lazio fans, bans for John Terry and Luis Suarez and even an attempt to punish Spurs supporters for the 'Yid Army' chant they have turned back on their taunters. Like ants on the first hot day of summer, it is as if hundreds of dormant racists have erupted from fissures in the stands. But the problem was always there, always festering under the surface. It just needed a spotlight shone on its dirty face.

Remember in the early 90s when everybody started getting mauled by pitbulls and rottweilers? A young boy got killed, the issue became front-page news, the public was outraged and tabloid editors hungrily fanned the flames with fresh horrors. As a kid back then, I remember viewing dogs as a rung up from Satan. Yet statistics showed that dog attacks had not increased one iota. In a sense, though, that didn't matter. You got the introduction of the Dangerous Dogs Act in 1991, banning aggressive breeds. You also saw more prosecutions for owners, resulting in a greater emphasis on responsible training and breeding.

Though the issue was overblown, the result was positive. In the following years, dog attacks did actually decrease. Racism in football is very similar. A minority of West Ham morons have always made hissing noises at Spurs fans and sung about the Holocaust. Just as the odd numpty will bounce around like a monkey. But because John Terry, the England captain, was charged with racism, the spotlight was flicked on and the issue hit the headlines. Now racists are everywhere. Obviously that is not true. For football fans to be tarred as bigots is no fairer than branding all dog owners irresponsible. It is a tiny minority who give the rest a bad name.

But as we are seeing with various investigations, bans and threats, clubs have been forced to confront the issue head on. Regardless of motivation (probably avoiding sanctions), they are under pressure to act. Even if just one racist is weeded out, that has to be seen as progress. Because let's face it, a bigot is about as welcome in football as a pitbull in a playpen.

CONFIDENCE IS HIGH

We said before last Saturday's game that we were confident we could get a result against Cardiff City and so it proved. I think the key for us was that the belief was there. We need to believe in ourselves and that is what we did.

We knew that it was going to be a difficult game, they had won 10 games in a row in front of their own fans, but we know that we can cause problems for anyone in the division and so it proved. We started brightly, the first 20 minutes we were in control and I think nobody could argue that we didn't deserve to be ahead at the interval.

We defended well, worked well as a team and at half-time the manager said to us to expect them to come out of the traps quickly, but we were comfortable in possession and we were ready for what they threw at us. To get the second goal so soon was a great moment. In the end, we created a hatful of chances and could have scored three or four.

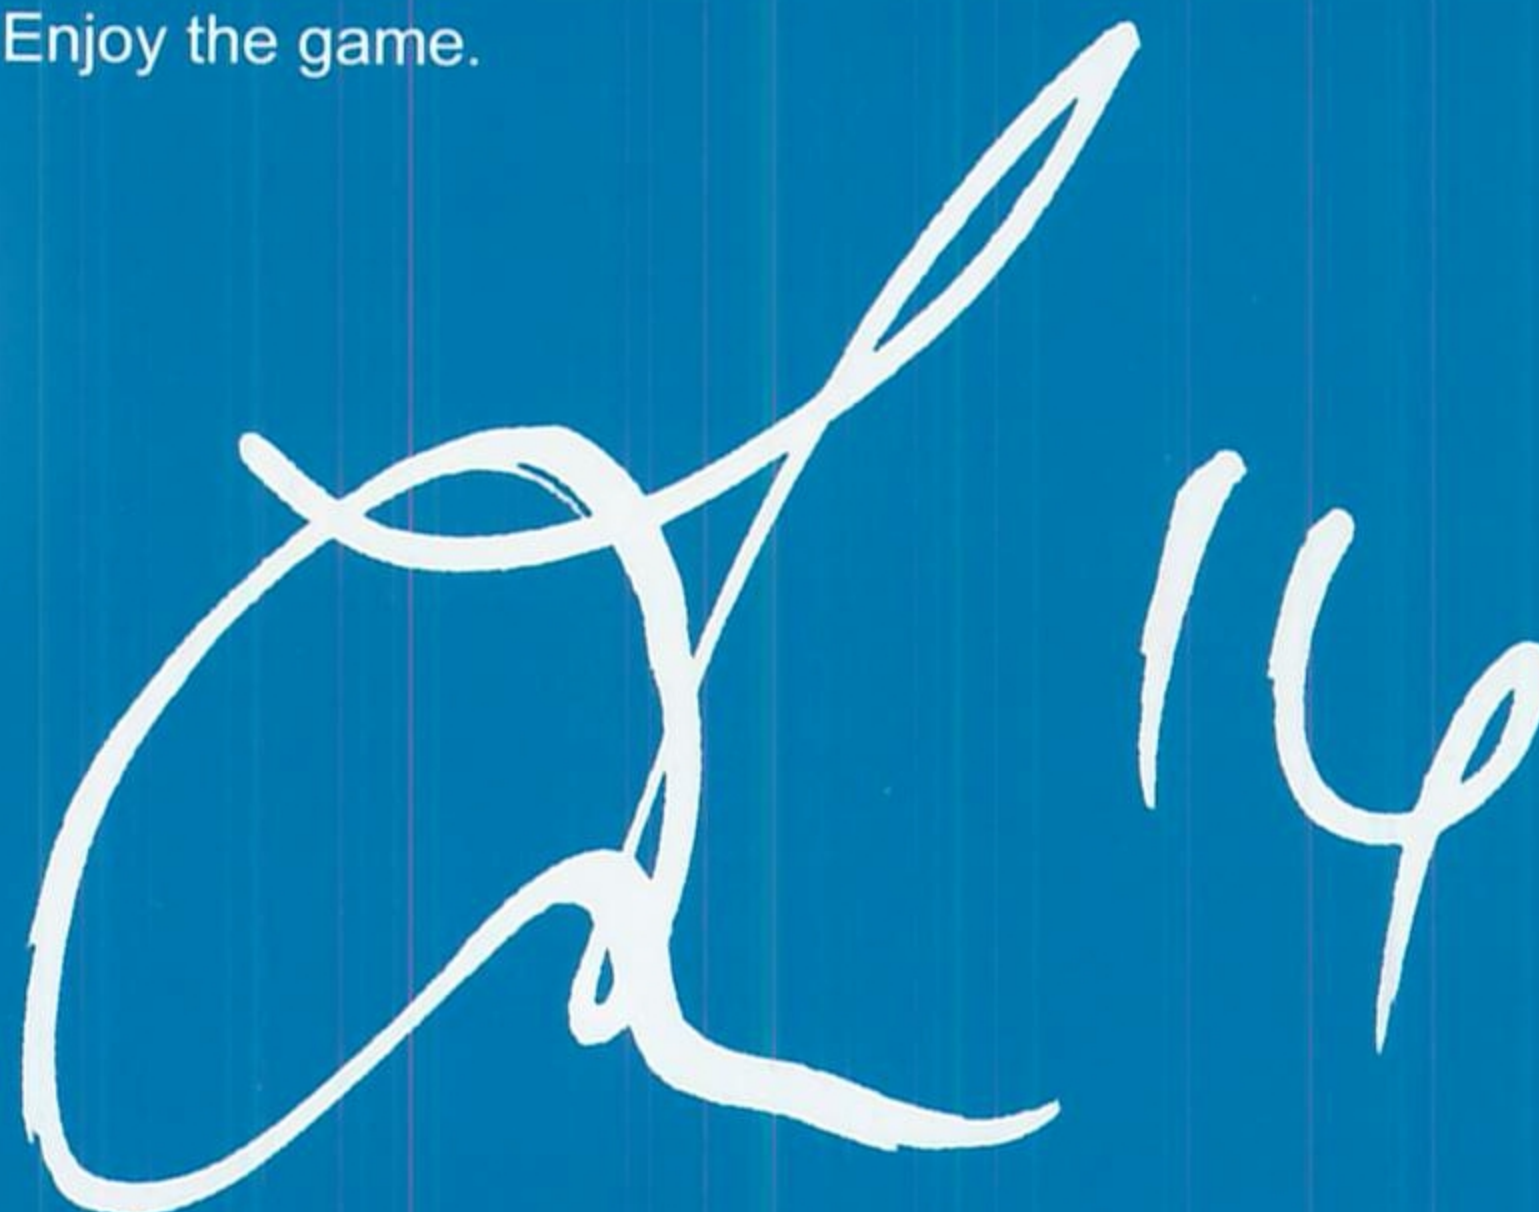

Six minutes of injury time was so nervewracking. I had come off towards the end, so to watch from the sidelines was the worst thing ever. I had confidence in the lads that they could hang on, but when they are lashing the ball forward into the box anything can happen, but we stood firm and got a great result.

I think for us, to go to the league leaders and win and deserve to win will give us renewed confidence and that is the main thing to take from the performance. We know we can beat the best in the division and we need to take it into today's game with Bolton Wanderers.

They are a massive club, have been a Premier League side for years and have a very talented squad. I am sure they will try and get it into the box quickly, but we showed at Cardiff that we can cope with the physical aspect of the game.

On behalf of the players, I would like to wish the supporters a very Merry Christmas and thank you for your support in the first half of the campaign.

Enjoy the game.

OUT & ABOUT

Lee Tomlin made a visit to the Heltwate School in Bretton for their annual Christmas party. The Heltwate School is a mixed special day school offering education to 4-16 year olds pupils with either moderate or severe learning difficulties.

The visit was arranged by local charity the Free Kicks Foundation and the Free Kicks team, as well as Lee Tomlin and Peter Burrow were on hand to give out selection boxes to pupils. Tomlin spent time having pictures taken with the kids, but that was after he made all kids dreams come true, by pieing the teachers as part of the party entertainment.

Posh goalkeeper Bobby Olejnik spent time visiting his shirt sponsors at the Square Café, which is located on Vicarage Farm Road in Fengate. Olejnik posed for pictures with the Café owners before swapping the goalkeeper gloves for an apron to help the kitchen staff dish out the morning's breakfasts.

Peterborough United midfielder Tommy Rowe took time out of his busy schedule to answer questions from budding journalists from the city university. Lecturer Nick Reinis brought his media class down to London Road in early December and Rowe answered a host of questions about his personal life, his playing career and his ambitions as a footballer.

GAYLE FORCE

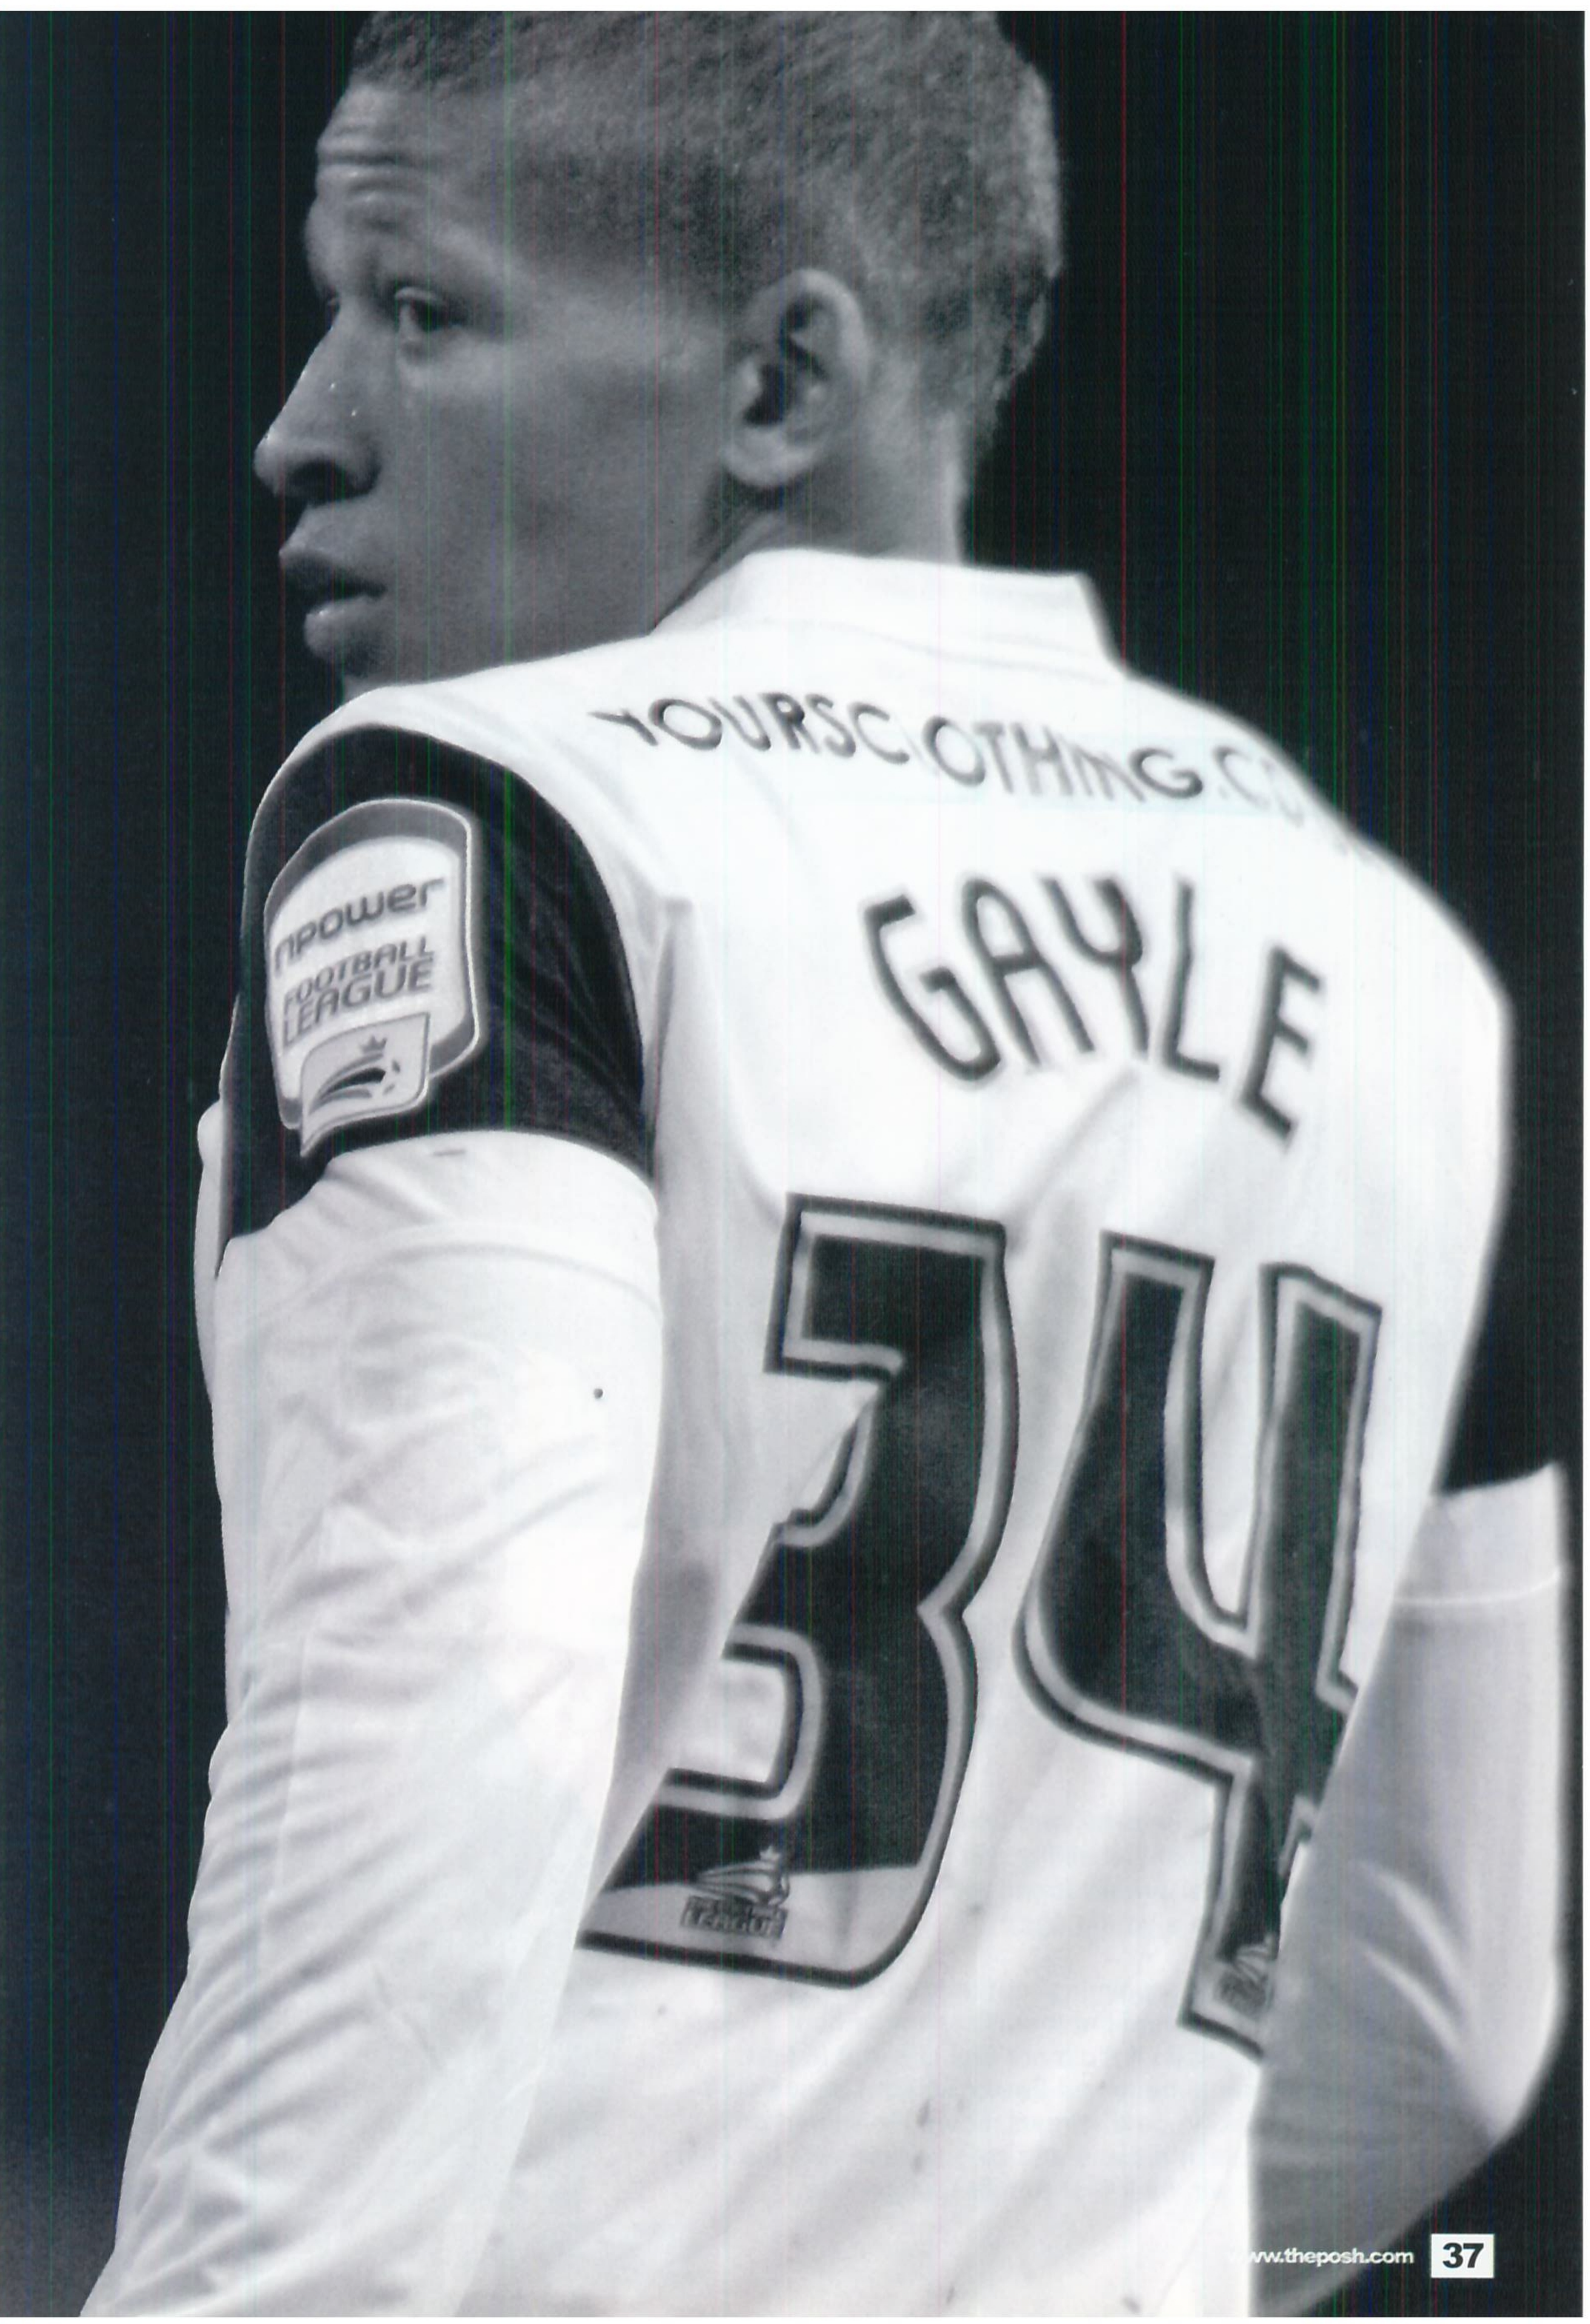

by Callum Croson

It has been quite a turbulent season for Posh fans, but with the signing of Dwight Gayle, spirits have been lifted a little going into the festive period. Many people will be jetting off to somewhere hot this winter; Gayle is hoping to jet Posh up the table.

The former's Stansted striker has propelled himself into the Championship in just three years by signing for Posh on loan and is enjoying the challenge of playing against quality opposition.

'Playing in the Championship, you're playing against a lot of really big names so it's good to play against people like Jonathan Woodgate and test myself,' the 22-year-old said.

'I think the goals help you settle a bit quicker, because the players around you have a bit more confidence in you. I'm finding it quite difficult but I'm trying my hardest and hopefully I can help keep the team up.'

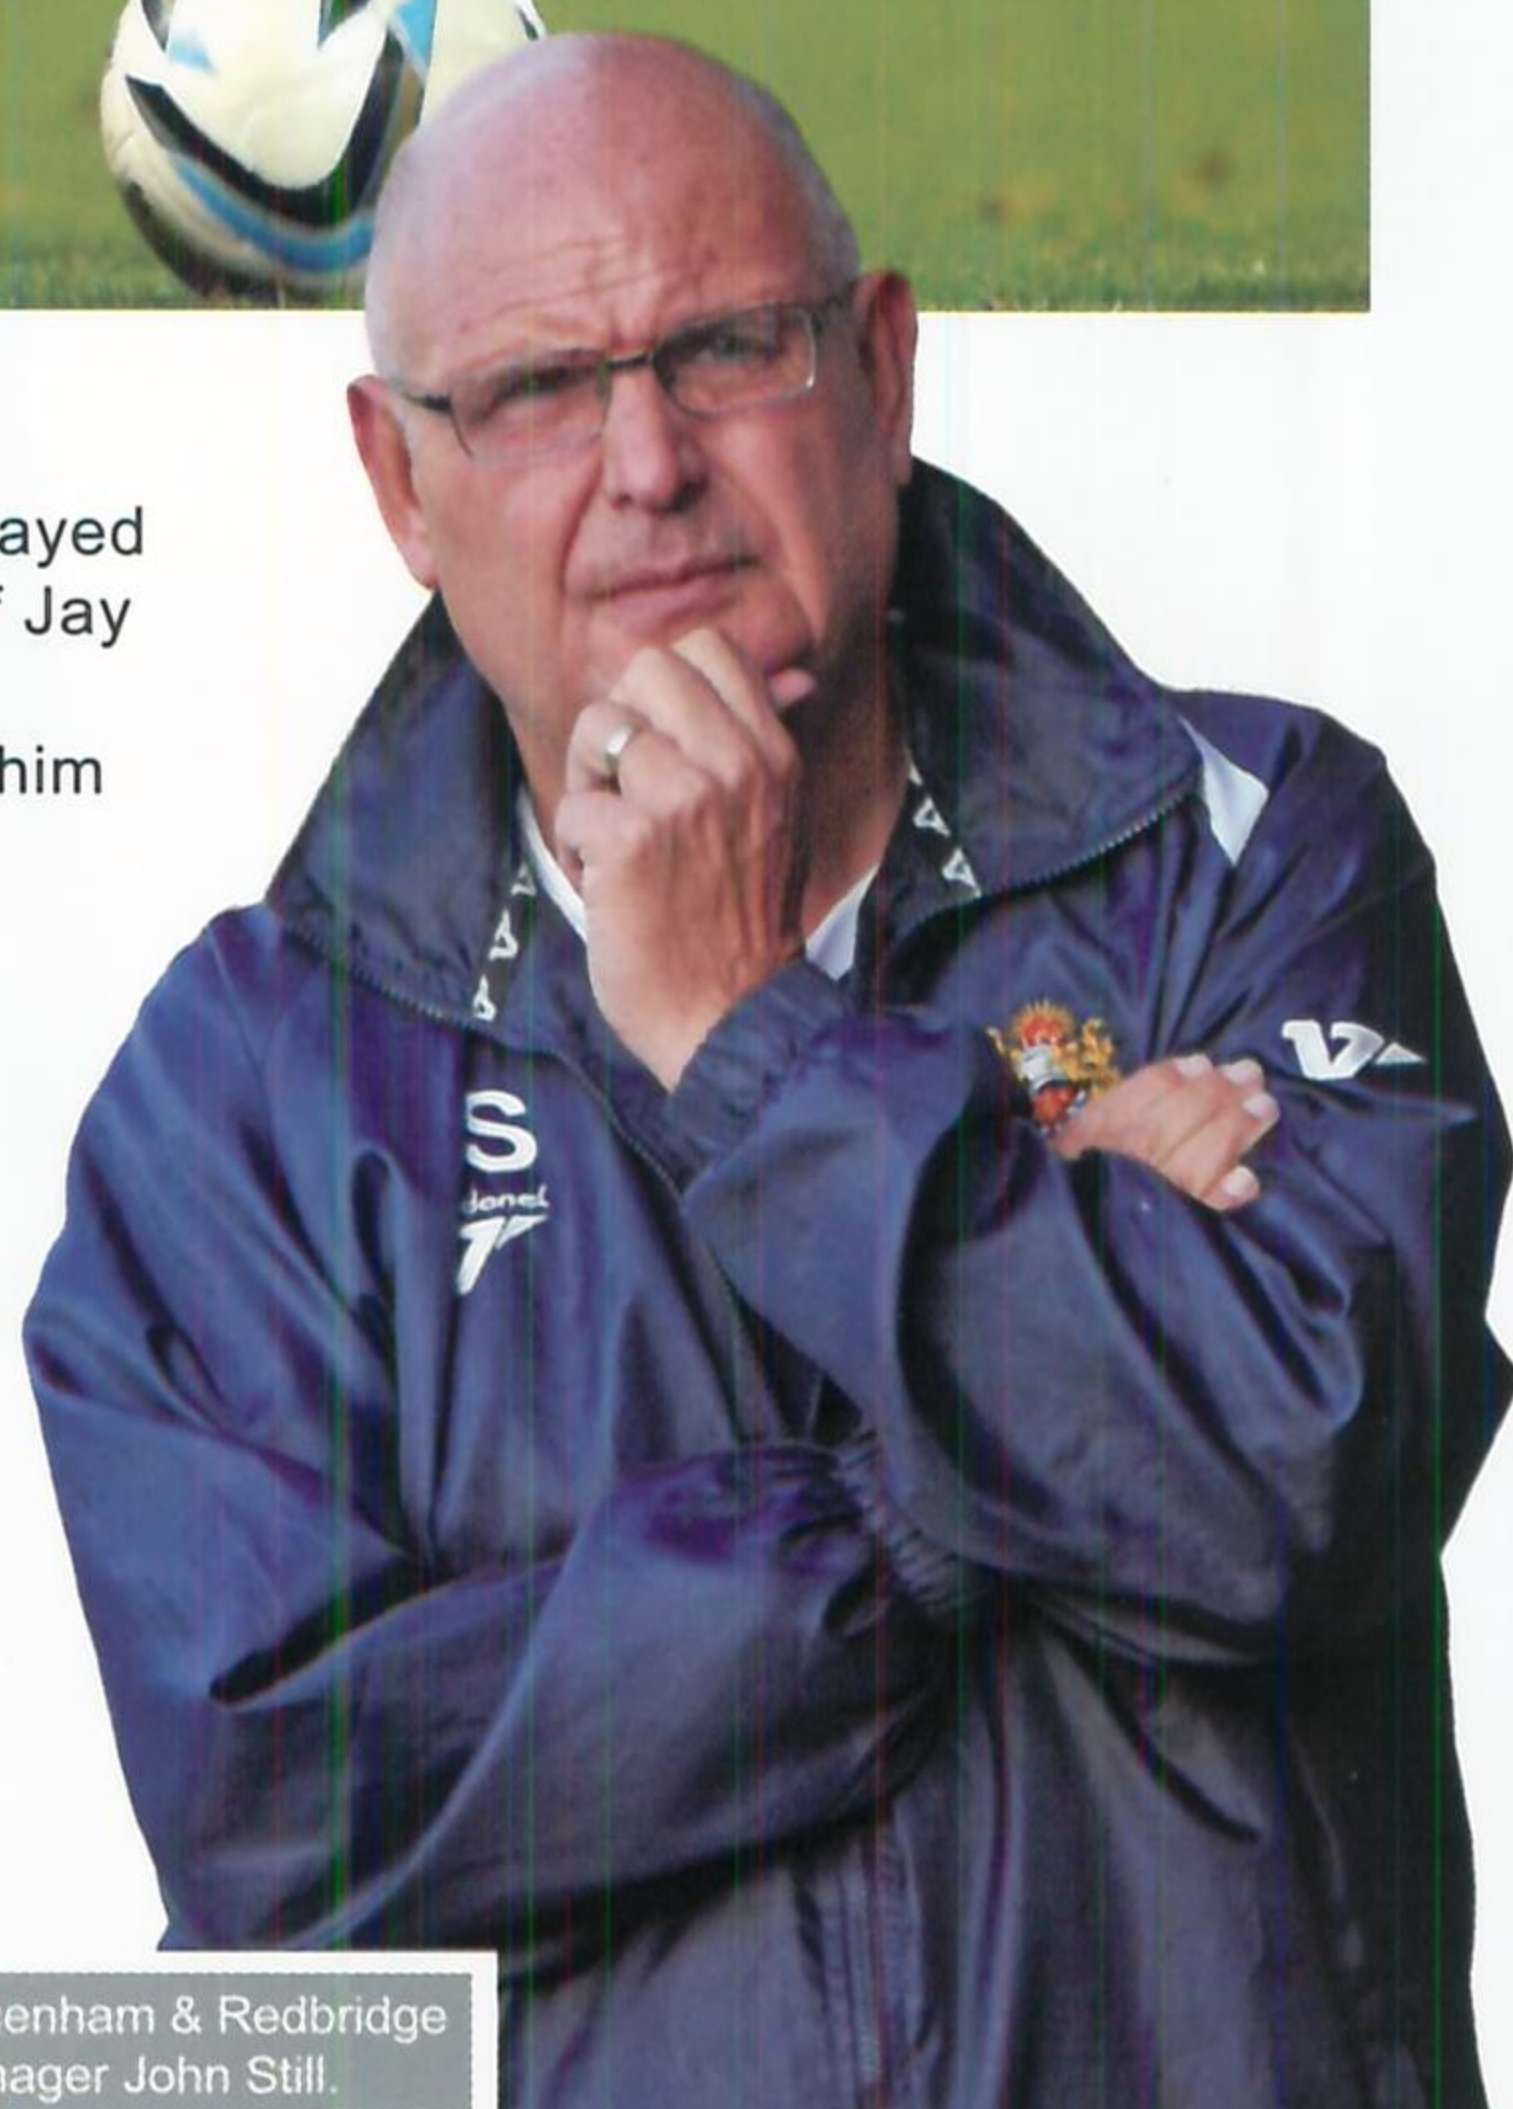

Dwight Gayle in action for Dagenham & Redbridge.

A former member of the Arsenal youth academy, Gayle has played with some well known faces in the football league, the likes of Jay Emanuel Thomas, Sanchez Watt and Henri Lansbury and the experience of playing at such a highly rated academy helped him a lot.

'It taught me a lot technically, and I think the most important time to learn your technical ability and awareness is at a young age, so I think it really improved me to learn at the highest level at such a young age.'

He admits it was "disappointing" not to breakthrough into the Arsenal first team but that it has made him stronger mentally, even if it did not feel like that at first. After leaving Arsenal he joined Essex Senior League side Stansted, it proved to be a shrewd move. He scored an incredible 42 goals in his one and only season with the club and helped them win their first Senior League title.

“HE REALLY IS A NATURAL FINISHER AND I THINK THAT HE WILL FIND HIMSELF BEYOND CHAMPIONSHIP LEVEL”
John Still, Dagenham & Redbridge Manager

It got the attention of Dagenham and Redbridge boss John Still, who admits it was his eye for goal that made him gamble on taking him to Victoria Park.

‘I don’t think it was the amount of goals that he could score that made him stand out, but the fact he could score all different goals,’ Still said. He has incredible height when he jumps, he can finish with both feet, he can score a tap-in with his anticipation and he can come off the defender and bend it in to the other corner.’

After signing for Dagenham, Still sent Gayle out on loan to Bishop’s Stortford, a club his dad had previously played for, to give him the chance of first team football in the Conference North and he did not disappoint. He scored 42 goals in total, beating the club record which had stood for 23 years.

Those performances earned him his first professional contract, and the former Peterborough manager believes that Gayle has all the attributes to be a success.

‘I think he’s got all the things that you need to make it as a player at that level, I think that he really, really is a talented young man,’ he added.

‘To me there’s no reason that he can’t go from strength to strength, I really do mean that, I’m not sure that he’ll stop at the Championship, because he really is a natural finisher and I think that he will find himself beyond Championship level.’

After securing his move to London Road in November, Gayle had to suffer the dreaded Posh initiation, although singing in front of your peers may not be a big issue for some, it can be when you forget your lines half way through.

‘The worst thing about joining a new team is you have to sing and initiate yourself, I started singing then I crumbled, I forgot the words and just started laughing, I definitely don’t rate myself as a singer.’

Now over a month into his loan move, he is enjoying working with Darren Ferguson, and hopes that if a deal can be done for him to stay until the end of the season, he would take up the opportunity. 'He's a good manager, everyone wants to do well for him because he's a good lad and he knows what he's talking about so I enjoy playing for him.'

'He's got good man management and he's got good tactics that suit the way we want to play and we always want to play football which is the right way and it helps to develop players to become better. I want to be playing at the highest level I can and if Posh are willing to extend it then I'd be happy to.'

Born in east London, he has settled into life at Posh, spending most of his time with the younger members of the squad like Joe Newell, playing PlayStation and watching films. He admits the duels on the games console have a mixture of winners and when he is chilling he prefers to watch a comedy like the Inbetweeners or the Hangover films.

With Christmas looming, his only wish though, is "to get a few wins and hopefully push us out of the relegation battle" it is a level-headed side to his

game that has been there since he was a kid.

'When I met him, he came across as quite a quiet lad, but very, very self-confident,' said Still. He mixes well without being the loudest one in the group but he's very confident of his own ability.'

If there is something Posh fans have come to love over recent years, it is a self-confident striker from the lower leagues who excites the crowd and scores goals. The likes of Craig Mackail-Smith, Aaron Mclean and George Boyd have all done that and it is a reason why the Dagenham boss decided to let him join here.

He explained: 'I've sold quite a few players to Peterborough over the years and I think there are a couple of reasons behind it. Posh are a club who over the past few seasons who have taken a little bit of a gamble on players from the lower levels and I say well done to them. They know we have a habit of producing very good young players, so I think they always keep an eye on it.'

Gayle has proven in his short spell at London Road he is more than ready for the fight against the drop, but if he does not return after January, then what better parting gift than a few more goals, it is nearly Christmas after all.

IN FOCUS WITH SKY

Last month, Peterborough United entertained Blackburn Rovers in a game that was televised live by Sky Sports. It is not the first time London Road has been the home of a televised fixture and a lot of hard work goes into making sure the cameras, studio and sound quality is at the level required for the worldwide audience.

We spoke to the Production Manager of Sky Sports' broadcasting team for that fixture to find out what needs to be done to fulfil the requirements.

What does your job role as production manager entail? The Production Manager is the link between

the Sky production team, stadium & facilities companies. Anything logistical regarding an outside broadcast will come via the production manager. We create planning documents which we send to the stadiums, facilities companies & all personnel on site.

Once a game is selected for Sky coverage, what is the procedure to ensure the game can be televised? (for example; stadium checks?) As you can imagine Sky have been to most of the stadiums already! However, there are sometimes new venues which will then require a site survey. Along with the

Production Manager, the director, the unit manager from the facilities company and also a scaffolder will attend the site survey. We would look at all available camera positions, interview areas, studio position, truck parking & cable routes.

How long does it take to set up all the equipment ready for a live fixture? This is dependent on the number of cameras. Generally for a fixture with a kick off after 2pm, all facilities would be rigged on matchday. For a non pre cabled ground we would need to get riggers in the day before to cable to all necessary positions. This could take anywhere between 4 & 10 hours!

How many staff are on hand to make it happen? We would have about 75 people on a Championship Fixture. This includes all Sky personnel as well as the technical crew.

How many cameras are in operation during a live fixture? The number

of live cameras is determined by the editorial requirements of the fixture so will be decided on a match by match basis. For this fixture we had 13 live match cameras.

Do you know how many countries the televised fixture between Peterborough and Blackburn was shown in and do you have an estimated number of viewers that tuned in? The Football League has confirmed that the npower Championship is distributed live every week to over 150 territories outside of the UK, reaching over 200 million households. For more details on the list of broadcasters and territories fans can go to <http://www.football-league.co.uk/page/OverseasFansIndex>.

PARTNERSHIP WITH NORTHANTS FA

Good afternoon and welcome to today's game versus Bolton. The schools all broke up yesterday after what feels like a very long term, beginning back in September. Throughout the first part of the school year we have started several new projects.

We have been working in partnership with Northants FA to deliver sessions to four special schools in Peterborough, preparing them for a Northants Project Ability tournament.

During this time we engaged with 80 Key Stage 3 students, the majority of which had no previous experience of competing in inter schools tournaments. The feedback from the schools has been excellent and we look forward to working with them again in the New Year.

As part of our new provision for footballers with disabilities, we are now well into our preparations for the first Peterborough United Adult Learning Disabilities Team. We have been running coaching sessions on a Wednesday morning and have seen a steady core group of players participate, and plan to extend our delivery by running a session on a Wednesday evening to make it more accessible to players who may be at work or at college. We hope that in the New Year we will be able to play fixtures against other clubs and also enter local tournaments.

I would like to take this opportunity to wish all of our youngsters and supporters a very Merry Christmas and a Happy New Year.

PARTY A SUCCESS

by Phil Adlam

There is only place you could see Peter Burrow, the Posh mascot, dancing to Gangnam Style and that is the Junior Posh Christmas Party and he certainly didn't disappoint.

Over 150 children were entertained by the popular bunny during the festive party before the youngsters got to meet their idols in the form of the Peterborough United squad.

Members were then taken through to the Boardroom to meet Santa Claus who handed out special goodie bags to the children. Members were also able to pose with the League One play-off trophy during their time with Santa.

A free raffle was held on the evening with one lucky youngster winning a signed canvas print

of Dwight Gayle. The November newsletter competition to win a signed Kick It Out t-shirt signed by Gabriel Zakuani was won by Matthew Roe while, over 120 quizzes were completed on the evening with 50 correct answers.

The winner selected at random was Nathaniel Cook who will be presented with a signed ball by George Boyd at a forthcoming fixture. Junior Posh would like to take this opportunity to thank Mick George Skips for their support with the goodie bags and also to the volunteers that helped make the evening a success.

Mary Faxon, Luisa D'Angelo, Maria Gould, Adam Gould, Emma Green, Liz Elsom, Steve Anthony, Peter Burrow and of course Santa Claus gave up their time to make the evening very special.

A HISTORY MAKING SEASON
1992/93

CLUB HISTORY

by Peter Lane

TURNER - BEGINNING OF A NEW ERA

An attractive third Round FA Cup tie away to Premier Division Ipswich town awaited Posh if they could dispose of Plymouth Argyle at Home Park in this Second Round tie. Both Lee Howarth and Gary Cooper were to miss the match due to injury; replacing them were Noel Luke and Dominic Iorfa.

Posh were up against it during the first half hour and were lucky the score was still goalless. That however soon changed when pacey striker Dwight Marshall converted a cross from Paul Dalton on 34 minutes. Three minutes later Marshall darted through the poor Posh defence to score once more. Then minutes later he was unlucky not to have claimed his hat trick when he clipped the bar. Posh had only one attempt on goal during the first half with Worrell Sterling firing wide.

Bobby Barnes replaced Iorfa after 61 minutes and at last he managed to wake Posh up by producing quality crosses and fifteen minutes from time he planted one onto the head of Tony Philliskirk who made no mistake to pull a goal back. One minute later at last Posh looked to be getting back in the game, when unfortunately Steve Castle (who later joined Posh in 1997), forced the ball into the net following more poor defending from Posh.

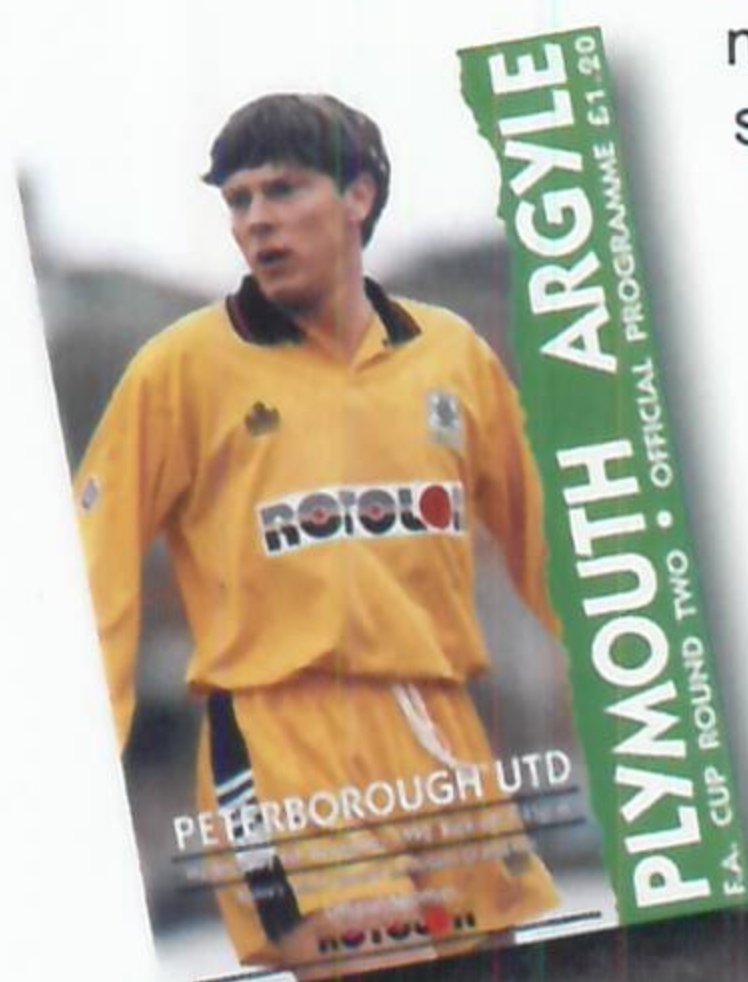

Sterling replied to make it three goals in the space of only three minutes, when he converted a pass off Philliskirk's chest. In the dying minutes Philliskirk almost pulled off an equaliser but he dallied too long with his shot, then he sent a low cross which caused panic in the Plymouth box and goalkeeper Ray Newman made a great save from one of his own defenders and that was the end of the FA Cup for another season for Posh. Manager Chris Turner described Posh as 'Absolutely disgraceful for 45 minutes.'

Result: Plymouth Argyle 3-2 Posh

Scorers: Posh: Philliskirk (74), Sterling (76); Plymouth Argyle: Marshall (34, 37), Castle (75).

Posh: Bennett, Bradshaw, Robinson, Halsall, Luke, Welsh, Sterling, Iorfa (Barnes 61), Adcock, Philliskirk, Ebdon. Sub: (not used) Retallick.

Attendance: 6,057.

Worrell Sterling in action against Plymouth.

Cooper returned from injury for the visit of Portsmouth. He was soon into the thick of the action when after only nine minutes he chipped the ball onto Philliskirk who gave us the lead from his left foot. Minutes later Cooper hit a fierce shot that Tony Adcock deflected into the top of the net, but was unfortunately ruled offside.

Former Spurs, Liverpool and England striker Paul Walsh was in scintillating form, whilst ex-England right winger Mark Chamberlain was also causing problems for Posh. Pompey in fact were almost dominating the game. Young Ian Bennett was in great form and saved Posh on many occasions, one of which he tipped over the bar from Guy Whittingham and then twice denying Walsh. Bennett could do nothing to prevent the equalising goal from the Football League's leading marksman, Whittingham scoring his 22nd goal of the season on 67 minutes.

PETE'S MEMORY LANE

Tony Philliskirk scoring against Portsmouth.

Five minutes later a clumsy challenge by Darren Bradshaw on Walsh resulted in a penalty, but once again Bennett came to the rescue to produce a brilliant save from Walsh, leaving Posh with a share of the spoils.

Result: Posh 1-1 Portsmouth

Scorers: Posh: Philliskirk (9); Portsmouth: Whittingham (63).

Posh: Bennett, Luke, Robinson, Halsall, Bradshaw, Welsh, Sterling, Cooper, Adcock, Philliskirk, Ebdon

Subs: (not used) Retallick, Iorfa.

Attendance: 6,516.

Posh were now in 13th position in the league on 27 points but did have two or three games in hand over most other teams. Reserve goalkeeper Fred Barber was set to join Second Division Preston North End on a month's loan. He had previously been playing for GM Vauxhall Conference side Kettering Town on a week to week basis.

It was on the cards that Chairman John Devaney was interested to sell the Club as he was suffering from ill health and had not been at the Club since the middle of October. Well, it finally happened on the 18th December 1992, when it was announced that Posh Manager Chris Turner had bought the Club for about £1 million, alongside a consortium consisting of Sean Riley (a local business man), Alf Hand and Philip Sagar (another local business man).

This was always an ambition for Chris Turner to own a Football Club. Both the players and fans alike were delighted with the appointment. Assistant Manager Lil Fulcillo was promoted to Manager, whilst former Posh player Keith Oakes took over as Assistant Manager and Mick Halsall became player/coach. John Devaney bought Peterborough United for £1.2 million on 12th July 1988. He appointed Chris Turner as Manager on 22nd January 1991.

I would like to finish off by wishing everyone a very Merry Christmas and a Happy New Year.

'Up The Posh' - Pete.

Chris Turner takes over as Chairman.

EXCITED BY CANARIES CLASH

Hi all, welcome back to London Road this afternoon for the pre Christmas action against our visitors from Bolton, and on that note I would like to welcome all our visitors from the North West to our old school little ground. Have a great time, a safe journey home and an excellent Christmas, but please leave the three points behind as we definitely need them more than you.

I am writing these notes after the Smoggies game and feel so frustrated. We stood firm and fought and scrapped against one of the promotion favourites in this league, played great to pull back from two down, and could have easily gone on to win the game, however, Ishmail Miller (who has a great record against us) came on and scored a great finish. It was a more positive performance from the lads, including a cracking goal from Dwight Gayle, which amused me as my wife didn't see it as she was on her phone - lesson there then pet!

Also if you are reading these notes from the stadium, well done you. Times are hard, it is nearly Christmas, and it has been a hard season so far, so making the effort to still come and get behind the boys now more than ever the club needs support - and the lads need that twelfth man.

The FA Cup has thrown us up a great third round tie - at home to our East Anglian rivals and the club we have tended to feed our talent to, Norwich City. Add to the fact they have sold their 5,000 allocation in two hours means it should be a nearly full London Road - no pressure on the result, and a day for Posh fans to enjoy.

The Chairman has made it Cat 'B' prices, so winners all round. Personally, we have to get a result as the Chef in my local Pub is a Canary season ticket holder and the banter has already started, and I have ensured that I have been checking my food when I have eaten in the pub!

The usual two plugs are here: Forever Posh members get on your own Facebook page, and please if you are not a member and read this page in the programme every week and wonder what all the fuss is about, please, please come to the venue and ask for Gill, myself, or Chris the Chairman.

Join us for a tenner, you get a host of benefits including cheap away travel, club shop discounts (Jan sale incoming) and somewhere in pleasant company to go before the game, sky TV, cheap beer and big Dave Coulson selling his sponsored goals - what more could you want!

So as we lead into the busy Christmas period, I leave you with the usual Christmas wishes for a great festive period and a Happy New Year - I will be back with you for the New Years Day programme and hopefully we will have some more points!

As it is that time of year, I leave you with this thought.. I asked my wife for the Chelsea 2013 calendar for Christmas, it is an excellent calendar made all the better for having a picture of a different Chelsea manager for every month of the year!

Merry Christmas
Up the Posh!

THE WALL

Happy Birthday to Nicole Hendrick, who will be 9 on Christmas Day!

Nicole is a massive Posh fan and will be mascot at the Nottingham Forest game in January. She is also part of the under 10s Development Centre here at Posh and is a regular goalscorer for Hampton Royal Girls under 10s.

Love from Mummy, Daddy and Richard.

Madness have released their 10th studio album 'Oui, Oui, Si, Si, Ja, Ja, Da, Da' and we have copies up for grabs! The album of all brand new material sees the band team up with a number of new producers, the first time in their illustrious career they have decided to do so, to create an album of incredible pop songs. The band are also delighted to announce that the artwork for the album has been designed by the legendary British Artist Sir Peter Blake.

It has been an incredibly busy summer for the band; playing on the roof of Buckingham Palace, a number of high profile festivals and to millions of people at the London 2012 Olympic Closing Ceremony.

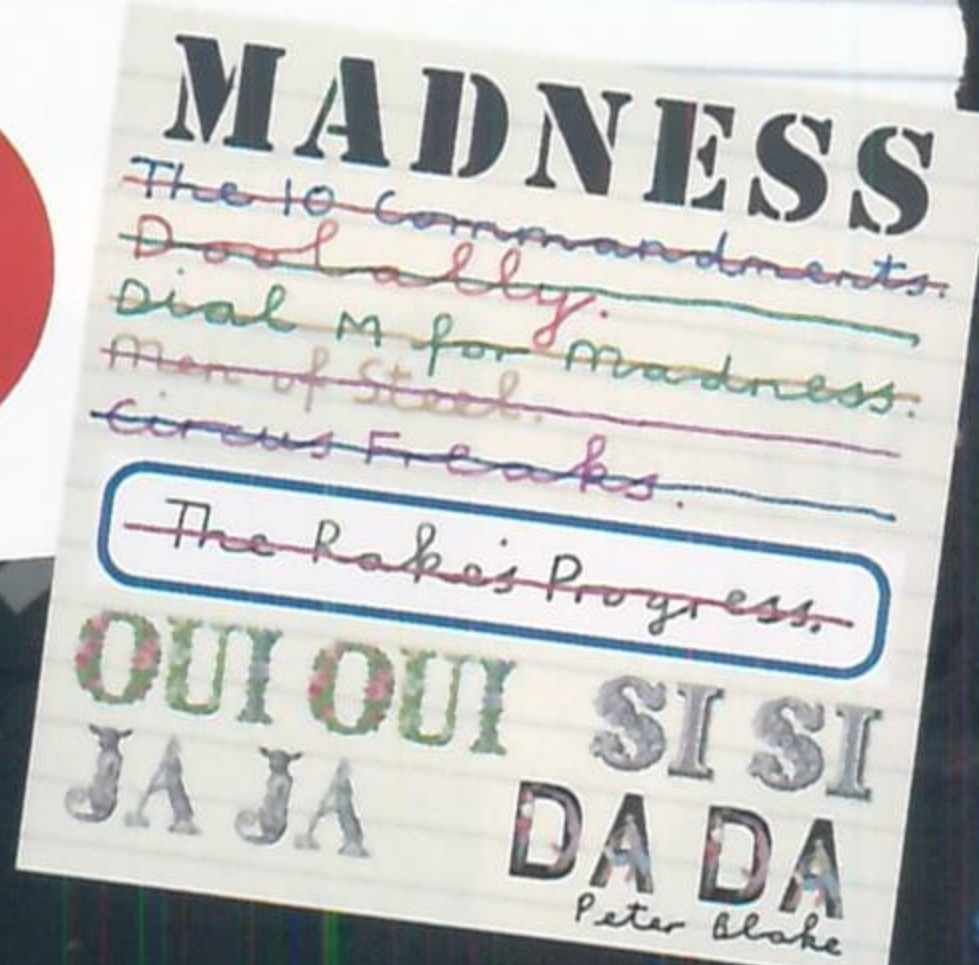

Name the lead singer of Madness: A) Buggs, B) Suggs, C) Hugs.

HALF-TERM REPORT

Good afternoon and welcome to today's game with Bolton Wanderers. I would like to take this opportunity to wish you all a very Merry Christmas. We are all hoping Santa is going to bring us a big bag of points over the festive period.

This is a short review of the youth department as we reach the halfway point in the campaign.

Professional development phase (17-21s)

This department is headed up by Gavin Strachan and there has been some excellent progress made in the first half of the season. What was very exciting for us, as a department, was to see two under 16s make their debuts in the first team. Jermaine Anderson came on as a substitute against Blackburn Rovers.

Jermaine is an exciting 16-year-old midfielder who we recruited in the summer from Arsenal. He has done very well since coming into the football club. Jaanai Gordon made his debut when he came on in the 75th minute against Wolverhampton Wanderers. Jaanai has continued to do well, scoring goals in the youth team and the reserve team, impressing the first team management in the process.

In addition to that, Michael Richens has just returned from injury. He had a very good pre-season programme, scoring in the win at St. Neots and we have high hopes for him at the football club. Alex Lynch has just received his latest cap from the Welsh FA after taking part in the Wales under 19 squad in the European Championships.

In terms of individual development, we are very happy with the players, we have recruited some exciting players into the group and we feel we are in a good position to kick on to the next phase.

Youth development phase

This department is headed up by Kieran Scarff and has seen our under 14s, 15s and 16s working full-time at the Nene Park Academy. This has paid massive dividends with the individual players now being recognised in the under 16s by Gavin Strachan. He has already offered four scholarship contracts to Ty Phillips, James Ward, Liam Marshall and Ben Keating.

Ben has been involved in the Welsh development group, which will head up their Victory Shield team next year. Ben returned today after playing for the Welsh team on Thursday evening. We are very happy with the young central midfielders' contribution as he has been playing up an age group in the under 16s.

Dovydas Kairys was called into the Lithuanian under 17 squad for their fixture with Poland earlier in the campaign and has been performing well.

Foundation phase

This department is headed up by Lewis Webb and there have been some great strides this season. One of the things we looked at in the younger ages was to increase the contact time.

Lewis has undertaken a very good job in making that happen, setting up the school's day release programme. We have worked hard with the local authority and the primary schools, who have been very supportive of the programme. Our young players get to train twice a week, plus all day on a Friday before their fixture on a Saturday.

For me, this is the major part of the long term development of our players and to give local players the amount of time they need to improve and hopefully play for their local club, Peterborough United.

It has been a fantastic year, we are looking forward to the FA Youth Cup third round tie with Aston Villa, which has been rescheduled for **Tuesday 8th January (7pm) at London Road**. We have already sold 624 tickets so far, but we would love to see many more through the gates on the evening. You can buy tickets right now at www.theposhtickets.com.

Enjoy the game.

RIP PAT HAND

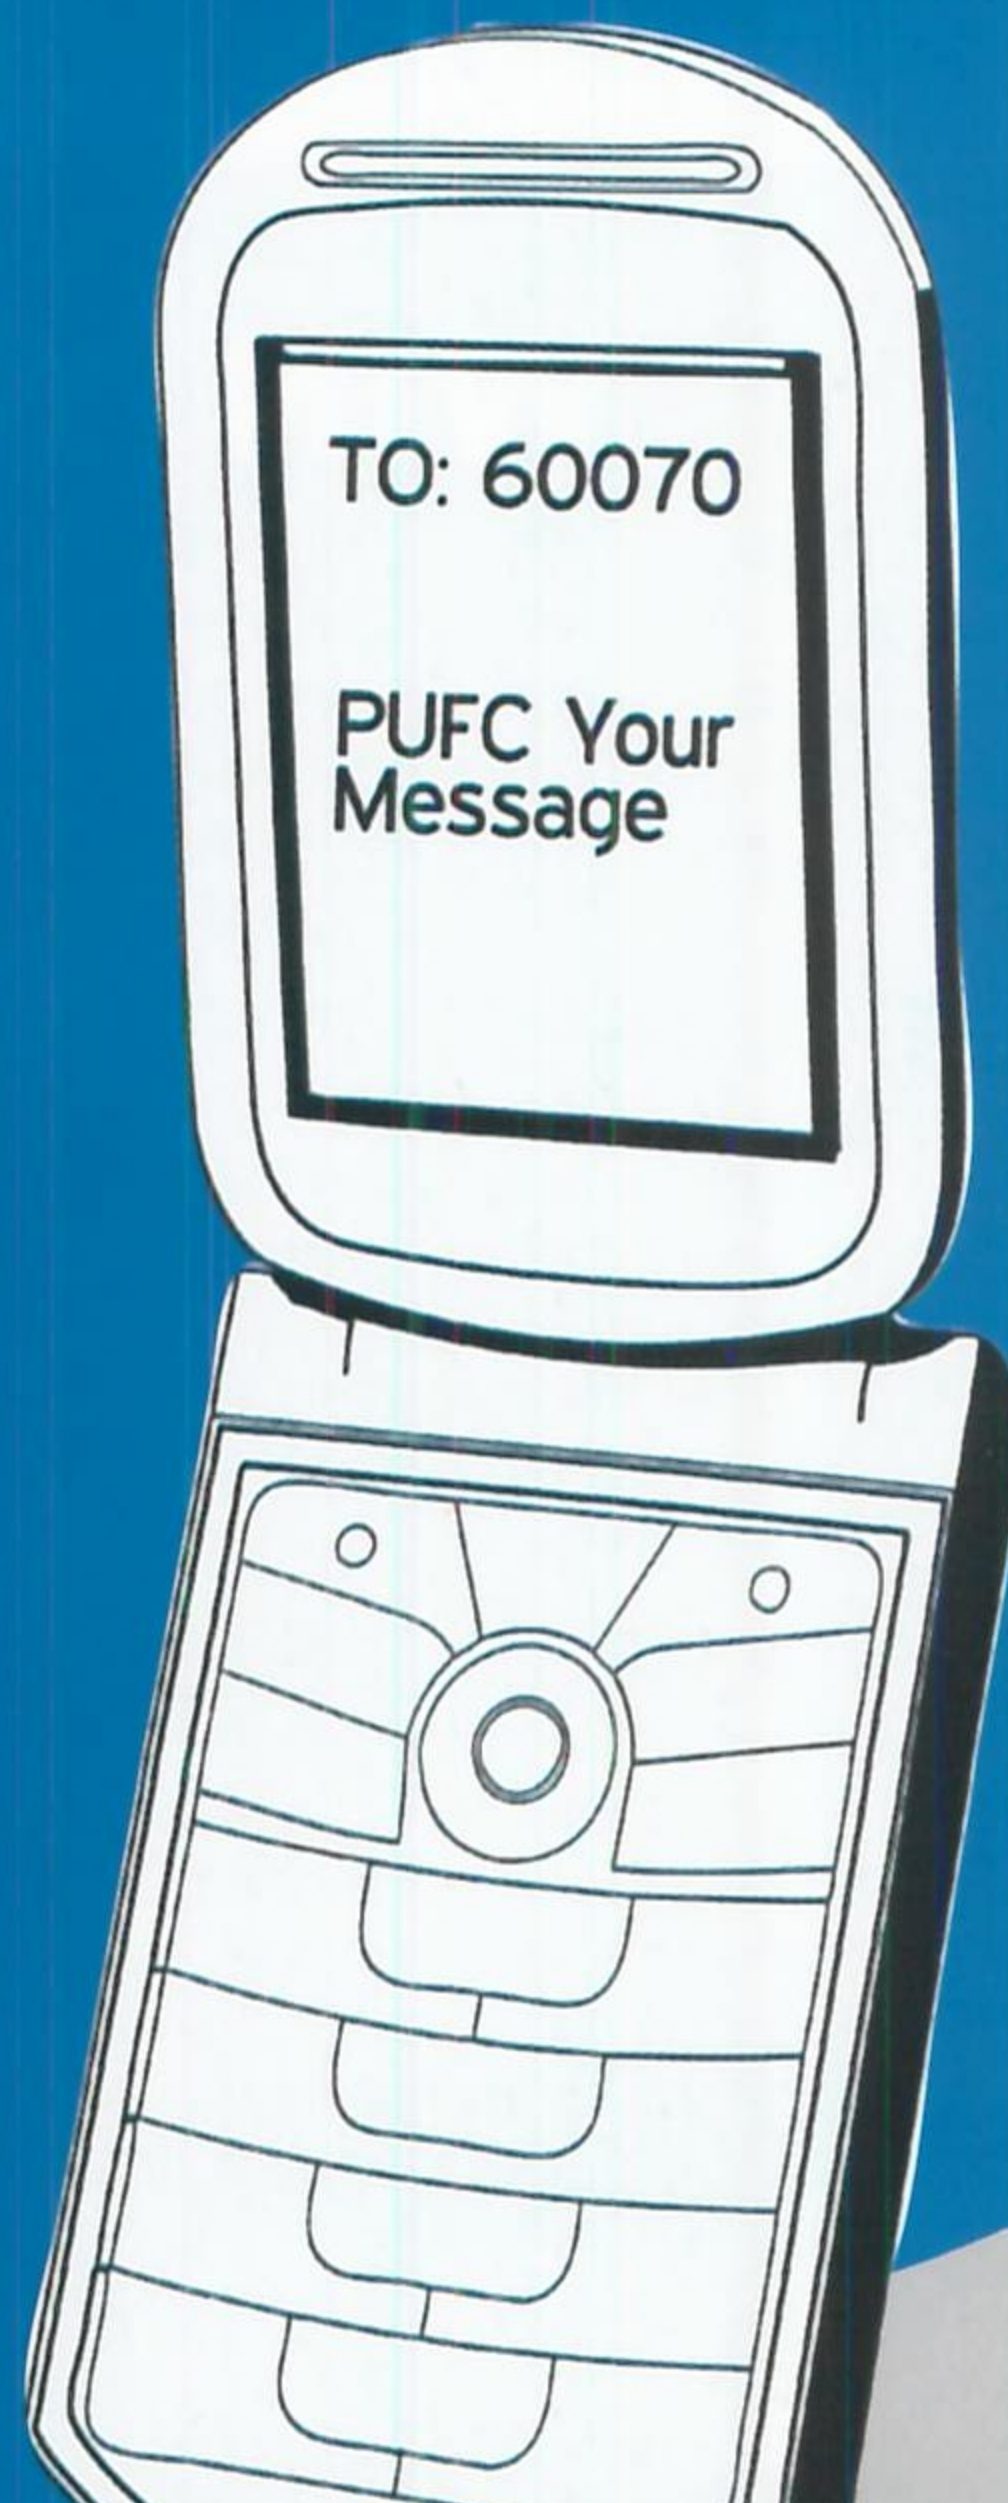

Pat Hand (right), with husband Alf (left) and former goalkeeper Mark Tyler.

It is with much sadness that the football club have to inform you that Patricia Hand, wife of Director Alf, passed away in the early hours of Tuesday morning at Thorpe Hall.

Pat had been unwell for many months but continued to come to London Road to support the club she loved.

Our condolences and love are sent to Alf and the family. Black armbands will be worn by the Posh players today as a mark of respect.

WIN YOURSELF SOME CASH!

The hugely successful Programme Competition is back for today's game and it is so simple to get involved. We will select a picture from today's game and colour in the winner – in the next match day programme, if that picture is you, you will win £50!

So is this you in South Family Stand? If this is you all you have to do is come to the desk in the Main Reception after the game today and you can claim the money!

The competition, which we hope will encourage supporters to purchase match day programmes, has a £50 prize for each match. If it is not claimed, the prize will roll on to £100 next week and so on until it is finally claimed.

All you have to do is wave your programme at the designated time. Remember, our roving photographers will be taking pictures of you all around the stadium and we will then select one photograph to appear in the next match day programme.

You must be there before 6pm to claim your prize though, so you better be quick or the prize money will be rolled over to the next match.

Is this you pictured in colour at the Middlesbrough match? If so you have won £100.

NEXT MATCH AT HOME

Tuesday 1st January 2013, 3pm

Barnsley are the next visitors to London Road and it will be a highly anticipated contest after last year's affair which ended 4-3 to the away side. Posh were unlucky not to come away with at least a point after a stunning comeback from three goals down, only for Craig Davies to stun the Posh crowd with the winner on 78 minutes.

Keith Hill's side find themselves towards the bottom end of the Championship and face a battle to stay in the division, they narrowly missed out on relegation last season, finishing one place above the drop.

Hill joined the Yorkshire club after a successful spell with Rochdale. Originally, he joined as part of the coaching staff, where he was Director of Youth until December 2006, when he was appointed as Caretaker manager following the sacking of Steve Parkin.

He was appointed the position of manager at the turn of the year and guided the club to ninth after spending the majority of the first half of the season in the bottom three.

A play-off final defeat followed the year after, but they would eventually gain promotion to

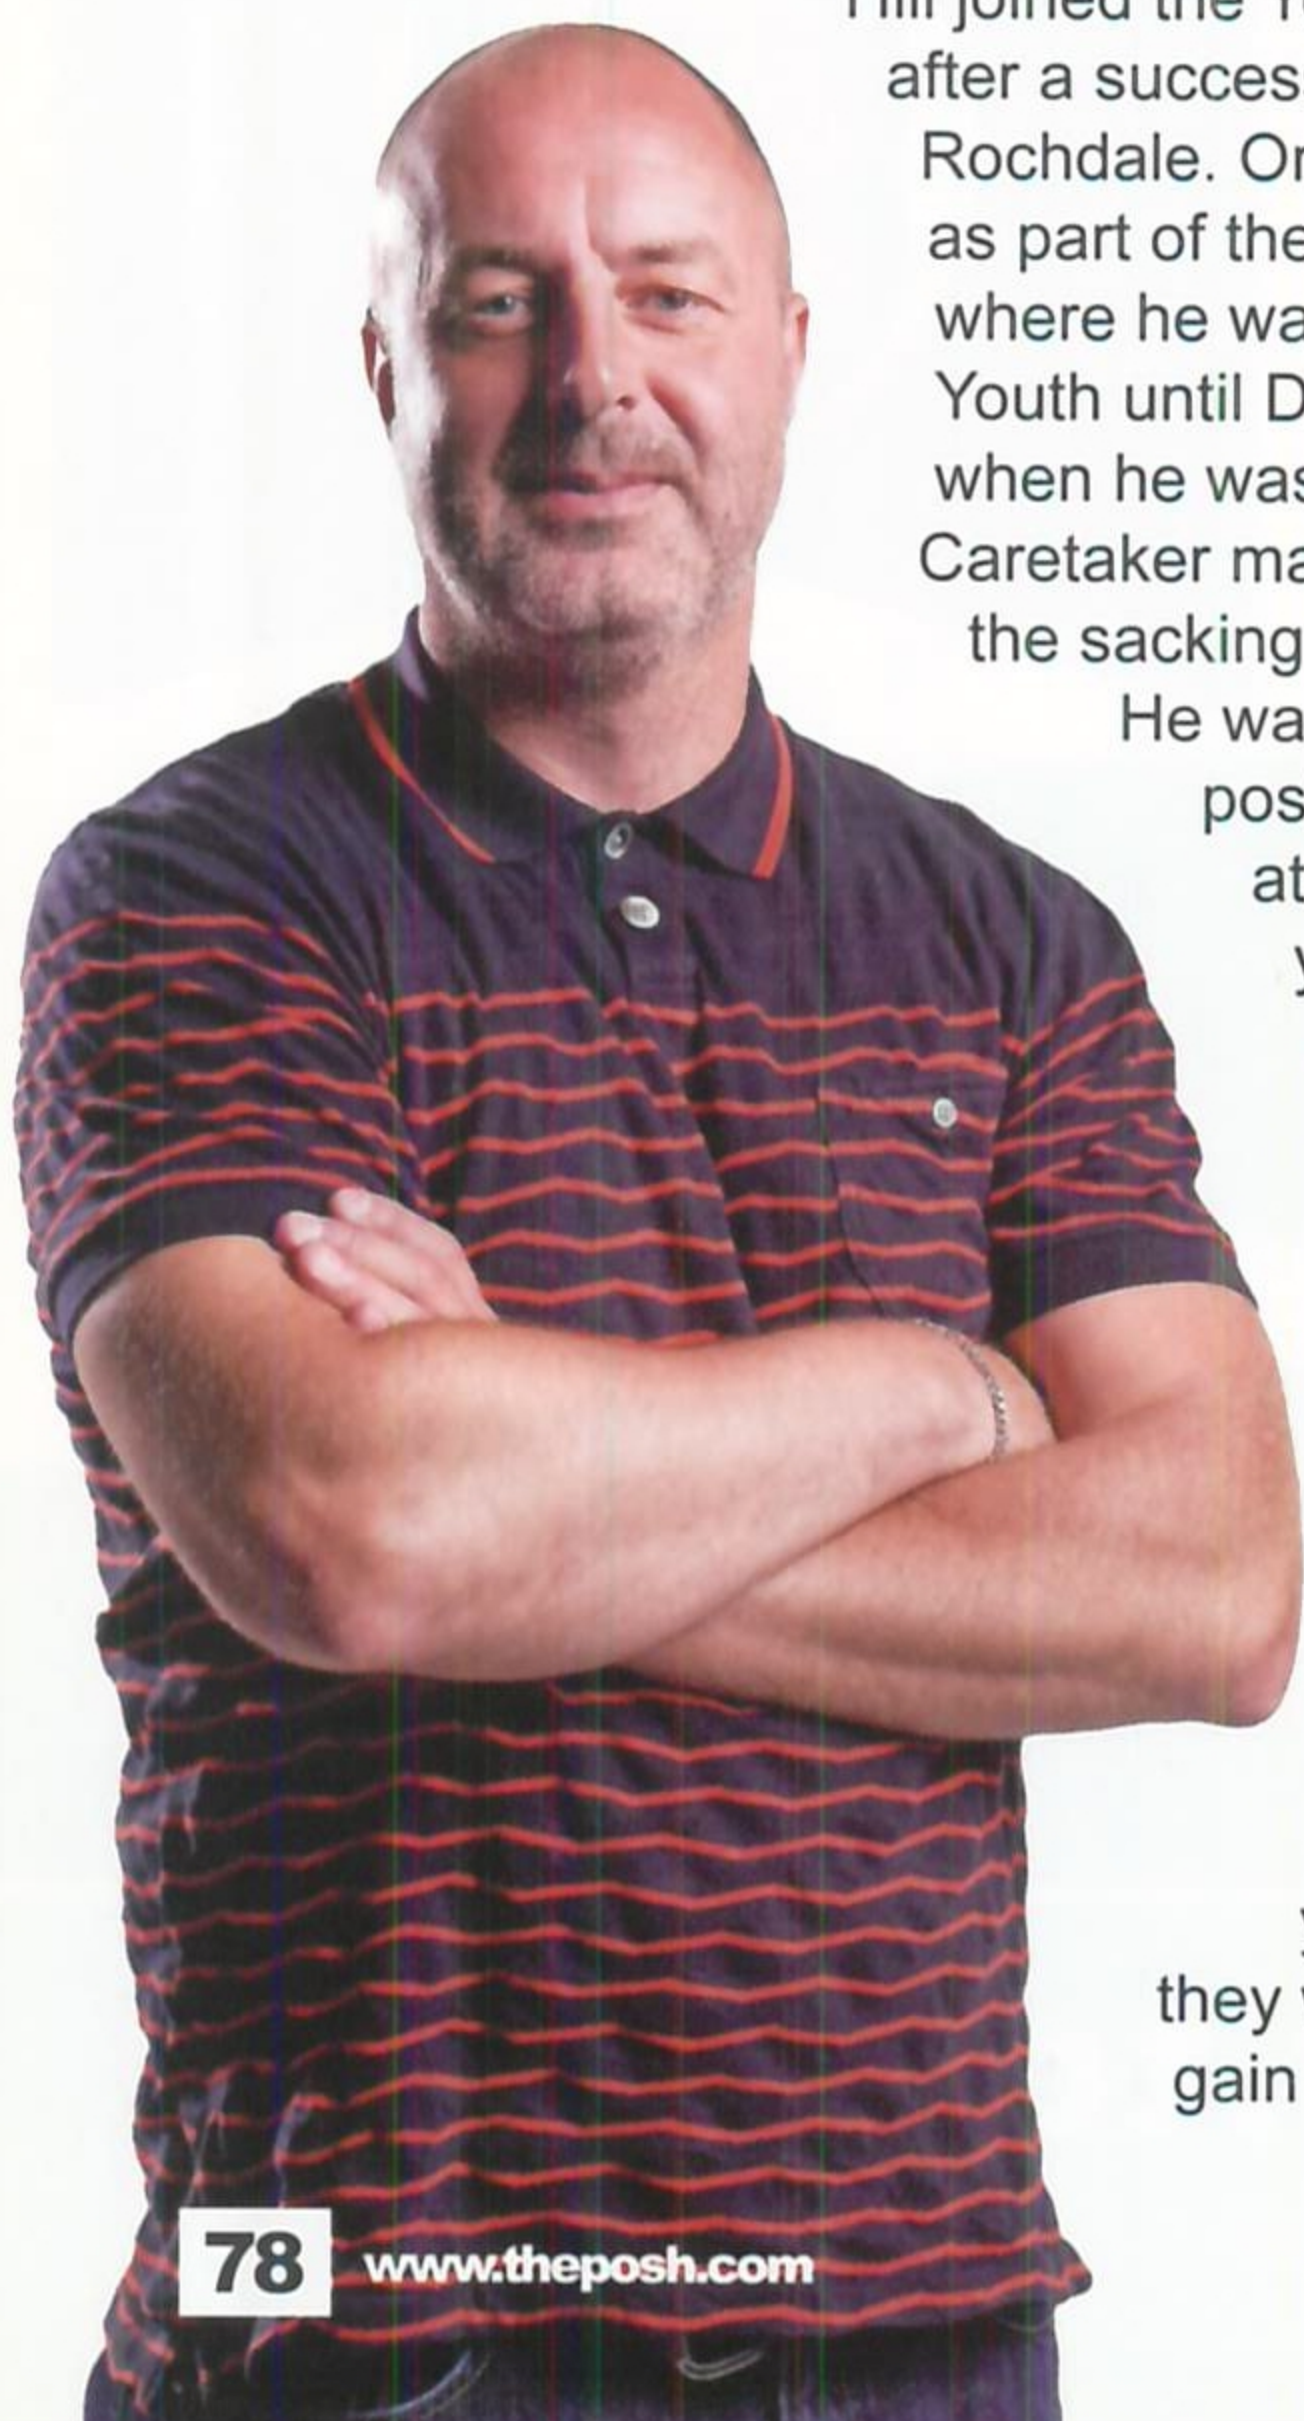

League One after finishing in the automatic promotion places in 2011. That promotion attracted interest from Barnsley Chairman Patrick Cryne and he eventually got his man after Hill initially rejected his offer to join them. Hill will hope to build on last season but faces a tough task to do so.

He will be relying heavily on the goals from Davies and on former Posh 'keeper Luke Steele to keep them out. Davies joined the Tykes from Chesterfield after an impressive campaign with the League Two club, he scored 23 goals in a Championship winning season and those goals were a key aspect of Hill taking him to Oakwell. In his first full season with Barnsley he scored 11 goals which included a streak of eight goals in eight games.

Steele, who was superb in the game at London Road last season, has been the first choice 'keeper since he arrived from West Brom in 2008. He missed the opening part of this season due to a long standing injury from the back end of the 2011/2012 campaign, although he still won the Supporter's Player of the Year award. Now back in the starting line-up, Steele will be hoping to get back to the form when his manager was tipping him for an international call-up and received praise from current England goalkeeping coach Ray Clemence.

The two clubs have already faced each other in the league, with Posh coming away with all three points after an impressive display saw them run out 2-0 winners, thanks to goals from George Boyd and Tyrone Barnett.

Peterborough now have the edge over Barnsley in overall wins, with October's meeting between the two sides putting Posh on 14 wins to Barnsley's 13 and also ended a winless run of six games against Hill's side.

WOLVES

Wednesday 26th December 2012, 3pm

Peterborough United make the journey to the Molineux Stadium on Boxing Day where they will face Wolverhampton Wanderers.

How To Get There:

By Car: Leave the M6 at Junction 10 and take the A454 towards Wolverhampton. Continue to follow the A454 right into Wolverhampton. On reaching the traffic island that intersects with the ring road, turn right. As you approach the 2nd set of lights look for the signs for football parking. The ground is over the 2nd set of lights on the right.

Parking: Although the city centre car parks are handy, the area gets quite busy with shoppers. It is recommended to park in the car parks that you see further away from Molineux and taking the 10/15 minute walk; it also means you are back on the motorway quicker after the game.

By Train: Wolverhampton railway station is around a 15 minute walk away from Molineux. From the main station entrance proceed straight on towards the city centre and as you reach the inner ring road turn right. Just follow the ring road as it continues in a circular pattern around to the left. Eventually you will see the Molineux on the right.

Official Supporters Coach: The official supporter's club foreverposh have coach travel available for the game. The coach will depart London Road at **10.30am** and costs **£13.00** for members and **£16.00** for non-members.

Please note: foreverposh members must show their membership card when booking for away travel in order to gain the membership discount.
